Dear Mr. Cleitt:

Insurance Services Office (ISO) has submitted a recommendation concerning your community's Public Protection Classification (PPC). Currently, the Community's Public Protection Classification rating is a class 10. **Insurance Services Office is recommending that the Public Protection Classification be changed to a split class of 7/9, with an effective date of 02/01/2001.** The recommendation is based on a review of your community performed on 08/15/2000 and does include the application of the Texas Addendum.

Public Protection Classifications range from 1 (best) to 10 (worst).

We have reviewed the information provided and believe it is sufficient to grant approval. Enclosed is a PPC Submittal sheet indicating the point totals for the major areas associated with the review. We will notify Insurance Services Office of our approval of the recommendation and the 02/01/2001 effective date.
