

2019 Property Tax Rates In Hays County ESD #3

This notice concerns the 2019 property tax rates for Hays County ESD #3. It presents information about three tax rates. Last year's tax rate is the actual tax rate the taxing unit used to determine property taxes last year. This year's *effective* tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's *rollback* tax rate is the highest tax rate the taxing unit can set before taxpayers start rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:

Last year's operating taxes	\$964,070
Last year's debt taxes	\$0
Last year's total taxes	\$964,070

(Maximum rate unless unit publishes notices and holds hearings.)

=This year's effective operating rate	\$0.0922/\$100
